

Children of the light

Our toddler discipleship program is based on the *Hope for Kids Program*, grounded on the Word of God. We teach 164 children about God's great love and master plan for their lives.

We are the salt of the earth. We are the light of the world. That's what God's Word says of me.

Matt 5: 13-14

Ironman – Be the difference

Ironman Foundation USA gave us a generous donation after the Cape Epic 2018. These funds will be used for:

- supplying breakfast and lunch to the children in our program
- supporting the field work team on their outreaches to vulnerable families in the community
- appointment of assistants for the Juweeltjies pre-school program

Thank you, Iron Men, you inspire us!

I AM BRAVE FEARLESS BOLD & STRONG

Urgent prayer request

Please pray fervently for the safety of our children, their families and our field workers after renewed gang violence. Stand with us against the destruction and heart ache caused through this.

Start each day with a grateful heart
