

Big school, here we come!

3 Years ago, they came to us as cute little toddlers and now it is time for them to start an exciting new chapter. We are sending 69 big kids off with a back pack, stationary and God's promises in their hearts. We pray that the time with Moms-for-Wellington laid a solid foundation and that they will always remember that they are loved, precious and called by God.

Become a "Omgee" (care) Family and help us to transform Wellington into a "Omgee" (care) community

Through a contribution of R120 per month you can invest in the life of a vulnerable child in our community. Our Omgee kids weekly learns about God's love and big plan for their lives. They receive balanced meals, tons of love and a safe environment where they can learn and flourish.

Thabisa Street workers

The Thabisa project focusses on vulnerable women working as street workers in the community. We trust God that each of these women will be able to choose a life free from sexual abuse, knowing that Jesus gives healing. We pray that they will know how precious they are and will experience the joy of being loved by a family. We gather weekly with the purpose of filling these women with physical and spiritual food that they can share with their families. Through prayer, reading the Word and talking about life, we aim to build a safe space where vulnerable women can share their hearts and grow in the fullness that God has for them.

Photographer **Hennie van Loggerenberg** took beautiful photos of our kids for the 2018 calendar.

News flashes

Happy tummies in December

Throughout December we will be cooking yummy food for our kids. It gives us the opportunity to make sure they are all well and healthy during the holidays.

We love our bodyguards!

Oom (uncle) John and Oom Tommie always make sure that our venue is safe and clean.

Cammy Brantzeg came all the way from Philadelphia, USA to find out how her congregation can support us.

Thank you, Cammy and the **Hopewell United Methodist Church**, for your love and commitment.

Have a merry Summer Christmas!
